Couples from all over BC and the world have chosen our ranch to start their lives together in a magical setting of natural harmony and bliss.

Celebrate your wedding at Canada's premiere ranch and start your life together on the shores of our emerald Green Lake filled with exhilaration and relaxation.

## *It's the Perfect Location.*

Our ranch sits on 1000 acres of mixed boreal forest of meadows, lakes and streams. Where horses run free in a gated ranch setting on the banks of a crystal-clear lake in the midst of some of the most breathtaking scenery British Columbia has to offer.

Surrounded by majestic mountains, rolling hills, wondrous forests and snow-capped mountains, the ranch is a magical place of awe that will take your breath away.

## *The Ultimate Wedding Experience*

A magical wedding at the Flying U is the perfect choice to bring close friends and family together in a private gated community of 44 historic log buildings. We provide everything including a massive luxury log home for the bridal party.

The centrepiece of the ranch is the 28 log cabins with a panoramic lake views for your wedding guests.

## The Ceremony and Reception

The wedding ceremony is a tree lined lake view terrace accessed by hay wagon pulled by stately Percherons.

This area with wild strawberries, we have called Strawberry Fields, overlooks the private grounds surrounding our own Spring Lake.

The reception is in our open beam ceiling log banquet room that seats up to 92 guests on magnificent solid pine tables.

After the reception the dance is in our Heritage Reception Hall which was decorated to nineteenth century hotel design.

## *Our Food is Served with Love and Tradition*

Though the ranch is steeped in tradition we have one of the most modern and up to date kitchen facilities North of Vancouver.

Here, our cooks prepare farm fresh meals, prepared with tradition and love as part of the part of the Flying U wedding experience.

Our Head Chef will plan your wedding menu - These packages also include special provisions for people on special diets and all meals, snacks and non-alcoholic drinks are included in your wedding packages.

Everything is designed to make this a special worry-free experience.

## *A Wedding at the Ranch is a Total Resort Experience*

The Flying U Ranch wedding is more than just a ceremony and overnight accommodation. The entire event is to provide you and your guests and extraordinary ranch experience in one of Western Canada's Premiere vacation resorts.

From the minute you check in on Friday and the opening night square dance to the closing lunch on Sunday there are activities from swimming, boating, kayaking, canoeing, yoga, and relaxation in our wood fired sauna. But there is much more, like archery lessons and water tubing for the kids and even a private movie theatre.

The ranch also has the largest riding herd in Canada and you and your guests can enjoy our 60,000 acres of aspen lined trails. It's all designed to make your wedding a special lifetime memory for both you and your guests.
